PETITION FOR RULE MAKING

Pursuant to 47 C.F.R. 1.401, Katherine Pyeatt respectfully petitions the FCC to institute a Rule Making proceeding to amend the FM Table of Allotments to add Channel 293C3 at Crowell, Texas.

DISCUSSION

Petitioner respectfully submits that the public interest would be served by allocating Channel 293C3 to Crowell, Texas, as that community's first aural broadcast transmission service. Crowell is an incorporated city with a population of 1,213 people as of January 1, 1998 according to the Texas State Data Center. As of March 1999, 102 business establishments in Crowell had been given a credit rating by Dun & Bradstreet. Crowell has its own mayor, Robert Kincaid, its own fire department, post office, school district and a number of local churches.
